ABOUT

Venkat Chary is the CEO and co-founder of Zenon, which combines services, productization, and AI incubation to close the deep gulf between companies' strategic intent and successful execution of their key initiatives in the new worlds of data, analytics, AI, and digitalization. Prior to Zenon, Venkat was the EVP/Chief Data & Analytics Officer for American Express where he was on the board of American Express Centurion Bank and a member of the global management team. Venkat is actively involved as an angel investor/advisor to start-ups and in promoting diversity in education and the workplace as part of being a trustee at Harvey Mudd College.

Venkat holds a MS in Public Policy Analysis, a BA in Economics, and a BS in Molecular Genetics from the University of Rochester.
